They may laugh at Ben Tillman's pitchfork as much as they please; all the same very few are anxious to encounter its prongs. - Nashville Sun.

While Tillman is showing such an intense desire to have investigations it might be well to accommodate him on the dispensary matters that ex-Senator Butler describes. - Philadelphia Times.

You would have to pile up fifty million silver dollars if you wished to buy all the bicycles now in use in this country, but one dollar and twenty-five cents will pay for 500 letter heads or envelopes at the County Record job office.

It looks as if there might have been a better fight on the proposition to put cotton ties back on the free list. The advantages of statesmanlike legislation on the tariff are evidently not intended for the South. - The State.

The attorney general would give the people a bit of information of special interest at this time if he would furnish them with a statement of the cost of all the litigation to which the dispensary law has given rise. - The State.

Supposing to refuse answering questions about campaign contributions were a jailable offense, there'd be suggestiveness in making prison suits in checks instead of stripes. - Philadelphia Times.

Mr. Chapman finds that the jokes of imprisonment is getting stale. But the public opinion is that it is a joke that cannot be repeated too often if Mr. Chapman continues to snap his fingers at the laws of his country. - New York World.

A good many senators who favor the investigation sought by Ben Tillman nevertheless fear to have it conducted by him as chairman of the committee. The investigation may fail because of Tillman. - The State.

It has been said that the real rogues cried louder than any of the other pursuers, "stop thief! stop thief!" Circumstances alter cases and the cry sometimes takes the form of "investigate! investigate!" - Johnston Monitor

The United States senate deserves the stirring up which Tillman is giving it. It is a fact, as he says, that the smirch of 1894 has not been wiped off. It is a fact, as he says, that a similar blot on the record may be the result of things that are happening now, unless measures are taken to prevent it. And these being facts, the Senate ought to wake up and act. - Boston Post.

The South Carolina editors are here to see and enjoy Tennessee's Centennial. They brought along their wives and sweethearts and are a gallant and an able aggregation of opinion moulders. A hearty welcome is theirs. May their stay be pleasant and when they go home may they be able to truthfully advise all their readers to come and see us. - Nashville Sun.

"There's no use in talking," says W. H. Broadwell, druggist, La Cyena, Kas., "Chamberlain's Colic, Cholera and Diarrhea Remedy does the work. After taking medicines of my own preparation and those of others, I took a dose of Chamberlain's and it helped me; a second dose cured me. Candidly and conscientiously I can recommend it as the best thing on the market." The 25 cent size for sale by Dr. W. L. Wallace, druggist.

Wed Early in Life.

In Austria a "man" and "woman" are supposed to be capable of conducting a home of their own from the age of 14. In Germany the men must be 18 years old. In France the man must be 18 and the woman 15; in Belgium the same. In Spain the intended husband must have passed his 14th birthday and the woman her 12th. In Hungary, for Roman Catholics, the man must be 14 years old and the woman 14; for Protestant, the man must be 18 and the woman 15. In Greece the man must have seen at least fourteen summers and the woman twelve. In Portugal a boy of 14 is considered marriageable and a woman of 12. In Turkey any youth and maiden who can walk properly, and can understand the necessary religious service, are allowed to be united for life. - Kansas City Star.

Johnson's Chill and Fever Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

Hundreds of thousands have been induced to try Chamberlain's Cough Remedy by reading what it has for others, and having tested its merits for themselves as to-day its warmest friends. For sale by Dr. W. L. Wallace, Druggist.

Letters from the People.

(Advertisement.)

Mr. Editor:—I am a straight in the middle-of-the-road populist and I want to know what the boys are doing all over the country, but I am not able to pay for several leading reform papers, though I want to read them every week. Can you tell me the best plan to get them?

Answer. If you will write enclosing a stamp to the National Reform Paper Club, No. 7, care People's Party Paper, Atlanta, Ga. they will send you their clubbing list, through which you can get almost every book and paper printed in the United States at the lowest wholesale price. If you are a subscriber to this paper and will mention this paper when you write, we have made arrangements whereby you will be given an annual membership in the club absolutely free: (The regular fee is one dollar for each member.) This offer is good for only a few weeks. The club handles all kinds of reform books and papers and through its hundreds of agents working in every county and are disposing of thousands of books—hence its members get in on the ground floor and buy at wholesale prices.

Mr. Isaac Horner, proprietor of Burton House, Burton, W. V., and one of the most widely known men in the State was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physician told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave and now I consider that I am entirely cured. For sale by Dr. W. L. Wallace, Druggist.

A. H. Patter, with E. C. Atkins & Co., Indianapolis, Ind., writes: "I have never before given a testimonial in my life. But I will say that for three years we have never been without Chamberlain's Colic, Cholera and Diarrhea Remedy in the house, and my wife would as soon think of being without flour as a bottle of this Remedy in the summer season. We have used it with all three of our children and it has never failed to cure—not simply stop pain, but cure absolutely. It is all right, and anyone who tries it will find it so." For sale by Dr. W. L. Wallace, druggist.

No man can lift himself by his boot tops; but he can easily pull himself down by his chin.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it.

Mother's Friend so assists nature in the changetaking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

MOTHER'S FRIEND

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer. HENDERSON DALZ, Carmi, Illinois.
